Whilst we take all reasonable precautions to prevent cross contamination, our food is prepared & freshly cooked to order. There may be a risk that traces of all allergens can be found in any dish. We do not have dedicated preparation or cooking areas in our kitchens for nut-free or gluten-free food, & fryers will have been used to cook both wheat & wheat-free dishes. As a result, we cannot 100% guarantee that there will be no cross-contamination.
